SCHEDULE "B" TO BY-LAW NO. 82-81-H

"REASONS FOR DESIGNATION"

1. Number 50 Mill St. North, (Waterdown) now Township of Flamborough:

   The cut-stone front facade of this mid-1800's building; it's recessed front doorway with the original door, doorknob and bell, surrounding panelling, sidelights and transom, and it's fine Gothic window in the centre gable make this dwelling an outstanding example of the one-and-a half storey centre gable style that is found throughout Southern Ontario.

   Historical significance - having been built on part of a large lumber mill property. The lumber mill continues in operation to the present day.

2. Residence of Mr. & Mrs. J. K. H. Parry: 1916. Centre Rd
   This tasteful restoration by the present owners of random course stone, one-and-one-half storey gable-roofed house has made it a fine example of Ontario's most common vernacular style of dwelling.

   It's position, high above historic Centre Road makes it a valuable landmark.

3. The stone barn, Rockton: 795 Hwy #8

   The large stone, former livery stable c.1850's on part of Lot 6 & 7 Plan 335, in Rockton - at the rear of the former Haley House Hotel is a rare example of the accommodation once provided on hotel property for the horses and conveyances of the settlers and others travelling any distance or attending to business or functions at the centre of a community (in this case, Beverly Township Hall).
